

# Mississippi Stud™

Mississippi Stud™ is a five-card poker game that lets you bet up to 10 units on a single hand. In Mississippi Stud, you compete against a payable, not against the dealer, and you win if your hand is a pair of 6s or better. The top payout is 500 to 1 for a Royal Flush—and it pays on all bets!

## Getting Started

Make an Ante bet to receive your first two cards. The dealer will place three community cards face down in the middle of the layout.

## Play or Fold?

At this point, you may either fold or make the 3<sup>rd</sup> Street bet of 1x to 3x your Ante. The dealer then reveals the first community card. Once you see the first community card, you have a choice: fold or make the 4<sup>th</sup> Street bet of 1x to 3x your Ante. The dealer then reveals the second community card. Once again, you can fold or stay in the game by making the 5<sup>th</sup> Street bet from 1x to 3x your Ante.

Note: When you fold, you forfeit all bets left in action.

## Winning and Losing

After the dealer turns over the final community card, he resolves all wagers left in action. You win if your five-card hand is a pair of 6s or better. Some hands push (see payable for odds).
