The Spa recommends you reserve appointments prior to your arrival as services are limited. A credit card is required to guarantee services at the time of reservation.

**How Early Should I Arrive for My Spa Treatment?**  
Please plan for at least 15 minutes early to enjoy our spa services. Arriving late will deprive you of treatment time. Don't forget to bring swimwear! Availability varies due to weather.

One complimentary beverage is offered during your scheduled appointment. Beverages available include coffee, tea, soda, wine, beer, or champagne. Additional beverages may be purchased. No alcohol may be taken into the spa.

**Do I Need to Disrobe Entirely for a Treatment?**  
Undergarments are not necessary but can be worn if preferred. Our therapists are trained to properly drape any body part not being treated. You may request a male or female therapist.

**Should I Alert Someone If I Have a Medical Condition, Allergy or Disability?**  
Yes. Please inform us when you call for a reservation if you are pregnant, have allergies or any other condition we should be aware of.
